This volume, the twelfth in the Somerset series, describes the town, port and seaside resort of Minehead and its neighbours. Dunster, known for its castle, was the centre of the medieval barony that dominated the area. It succeeded the large parish of Carhampton as the administrative centre of the area which includes Timberscombe and Withycombe on the edge of Exmoor.

MARY SIRAUT is the editor of the Victoria County History of Somerset based in the Somerset Heritage Centre in Taunton. She is a historian and an archivist and has worked for the Somerset Victoria County History since 1978.
